

official letter  
from Santa

Dear \_\_\_\_\_,

It's almost Christmas! Are you excited for my arrival? My elves and I have been busy in the North Pole getting ready to visit all of the good little boys and girls! And my reindeer are busy getting the sleigh ready for our visit soon.

Remember, the best part about the holiday is spending time with your family. Continue to be good for your mom and dad and on Christmas day you will find surprises under your Christmas tree!

Merry Christmas,  
Santa Claus
